## *“How Jesus Taught about Abraham”*

**John 8:31-59**

---

Pastor Scott Boerckel

1. The freedom Jesus offers the offspring of Abraham (John 8:31-38)
2. The problem of who your real father is (John 8:39-47)

### 3. What Abraham knows about Jesus (John 8:48-59)

## Table Talk

- 1) Are the Jews in v. 31 true believers in Christ? How would you respond, from this passage, to the statement, "I made a commitment to Christ several years ago, so I know I am saved?"
- 2) What are the marks of the true believer in Christ? (see vv. 31-32) What is a sure sign that one is not a true believer? (see v. 33)
- 3) Why is it hard to admit that, apart from Christ, we are slaves to sin? In what sense is every unregenerate person "of your father the devil?" What is a similar boast today to the boast of the Jews that "Abraham is our father?"
- 4) What does Jesus say about the devil in v. 44? Why is that important to know?
- 5) What does Abraham know about Jesus? (vv. 48-59) Where and how did Abraham rejoice to see the day of Jesus Christ? (v. 56)
- 6) What claim is Jesus making in v. 58?
