

3. The Biological Evidence and Implications Beyond

4. “Yes, buts”

Table Talk

- 1) Why should we face the challenges of abortion and lots of other issues related to the sanctity of human life? What makes this hard to do?
- 2) Which of the verses that we talked about today impacted you the most? What is the consistent testimony of scripture regarding the value of human life?
- 3) What other ethical questions are raised if abortion on demand continues as a worldwide policy?
- 4) What “Yes, buts” have made sense to you? What is the one response that, if true, overwhelms all “yes, buts”?
- 5) Why is there reason for hope in the sanctity of life struggle? Why ought we not place our hopes in political solutions?
