Table Talk

- 1) Can you tell of a time in which you obeyed God's call and experienced a wonderfully joyous result? What did you see God do as a result of this obedience?
- 2) Have you ever experienced a long season of resisting or running from God's call on your life? What were the results?
- 3) Is there something that God is asking you to do that you are not doing? What keeps you from doing it and what might be the results if you continue to ignore the call?
