3. There is a valley in between the peaks where Jesus calls us to follow Him.

Conclusion:

Dangers as the time in the valley extends:

1. Reinterpretation of the Bible
2. Accomodating our life to the world
3. Losing focus on the mission of God

What should we do?

1. Ground ourselves in the Word of God.
2. Examine our lives to check on our priorities and missions involvement.
3. Serve God where we are, pray, share the gospel with others around and support missions works of all kinds, near and far.
4. Be available to God's callings and opportunities.
