Table Talk

- 1) What does it mean to say, "God loves us"? How do people commonly misunderstand God's love?
- 2) What three kinds of deaths were described in today's message? What is spiritual death? What does it mean to be crucified with Christ?
- 3) How does Jesus' death and resurrection conquer spiritual death? How does dying with Christ free us from our sin? How does Jesus' resurrection remove the sting of physical death?
