Table Talk

- 1) Can we enter the kingdom of God just as we are? Why not? (v. 50) How will we be fitted for eternal life? (vv. 51, 53, 54) How long will the process of change take? (v. 52)
- 2) In what sense does death have victory now? Why can we have faith that death is swallowed up in victory? How can we have victory over death? What counsel would you give to a person who is afraid to die? (vv. 55-57)
- 3) Knowing that we have victory over death, how should we live right now? Why should we never give up on the disciplines of the Christian life? (v. 58)
- 4) If I share my faith with others, but no one has ever responded, is there something wrong with me? Why shouldn't I just give up? What plan can you develop to share your faith with someone this week?
