3. The Importance of Integrity to Revival (Ezra 8:24-36)

Table Talk

- 1) Why does Ezra mention people like “men of insight” (v. 16), “leading man” (v. 17), “man of discretion” (v. 18)? How is this an essential component of revival?
- 2) What can you do to prepare to serve the Lord? (vv. 21-23) Why is preparing to serve just as important as serving?
- 3) How do verses 24-36 show that integrity is essential to revival? How does a lack of integrity throw cold water upon the fire of revival?
