# 4+1

## BIBLE READING PLAN

by George Guthrie

The 4+1 Plan offers a refreshing way to read through the Bible in a year. You will read at four different places in Scripture plus the Psalms. Over the course of the year you will read through each Psalm twice. The plan is “semi-chronological” at points. Specifically, the prophets of the Old Testament and the letters of the New Testament have been placed in a rough chronological order. There are six readings per week, which will give you a day to catch up if you need it and a “Sabbath rest” if you don’t.
