

Oakie Video Competition 2024 Official Rules & Info Packet

2024 Oakie Video Contest

The Oakie Video Contest was created more than a decade ago as a fun way to get our students interested in the creative use of media to communicate the gospel message around the world. In the process, they learn how to work as a team, use new technology, and learn a sense of storytelling in communicating a message to an audience. It still one of our goals that our students would use technology, media, their words, and their lives to influence the world for Christ.
