Table Talk

- 1) How can you improve your life of personal and corporate worship in 2024?
- 2) Who are the friends and family members that have encouraged your hunger for God? What did they do to encourage your hunger?
- 3) What do you think about when you think of God's blessing for your children or grandchildren? How might God want to be expanding your vision of that?
- 4) What adds "air" to fan the flame of one's gift? What causes the air to go out? How can your home be a place where gifts are fanned into flame? What fears do you have if your children's or grandchildren's gifts are fanned into flame?
