3. God does as He pleases, and it is very good.

Table Talk

- 1) Why do we find it fairly easy to believe that God chose Jacob and the people of Israel but hard to believe His election to salvation?
- 2) What does it mean when the Bible says that God “hated” Esau? Was there some particular defect in Esau that caused this?
- 3) Is it unjust of God to choose some and not others? Does this mean that we are all robots without any moral responsibility?
- 4) Why should these deep issues cause us to worship rather than to grow prideful, or frustrated, or disappointed?
