

SERMON NOTES

Sunday, February 9, 2025 | Pastor Scott Boerckel

The Essentials of Public Worship

1. Old Testament forms of worship highlight the importance of atonement.
2. New Testament forms of worship highlight the value of Jesus Christ's atonement.

Sermon Notes

3. Early church forms of worship highlight the simplicity of community celebration of what Christ has done.

4. Our forms of worship seek to build a community that celebrates what Christ has done.

Table Talk

- 1) What characteristics of Old Testament worship stand out? What characteristics are common to all true worshipers of the true God for all time? What characteristics are unique?
- 2) What characteristics of New Testament worship stand out? What characteristics are common to all true worshipers of the true God for all time? What characteristics are unique?
- 3) What characteristics of early church worship stand out? What characteristics are common to all true worshipers of the true God for all time? What characteristics are unique?
- 4) What characteristics of East White Oak's worship stand out? What characteristics are common to all true worshipers of the true God for all time? What characteristics are unique?
- 5) What do we learn about worship by looking at the various forms of worship of the true God through the centuries? How is the Word of God, prayer, and praise central to all public worship of the true God?
